ISBE EXIM PVT LTD

Product Lines

Value added services :

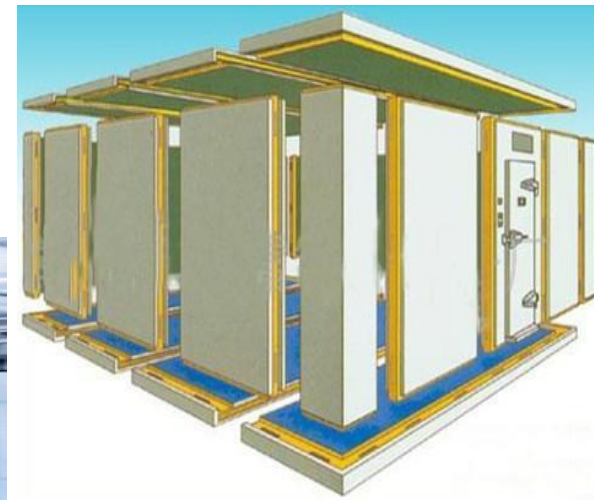

Schools , Hospitals , Offices
Cold Storages , Shelters , Affordable Homes
Ware House , Clean Rooms , Modular OT
Prefab structures –Toilets , Kiosk , Outlets , Exhibits
Storages , Go-downs
Farmhouses , Industrial Buildings
Refrigerant Vans
Insulated BOX , Doors , Defense Shelters

About Us

ISBE is the pvt. ltd company with 6 years of establishment , spent good time in construction technology with ISBE consulting Arm and SK constructions .

- **ISBE** is in the business of **construction & Innovative infra** through young and energetic team and one stop solutions based projects. Team comprises of concept leaders of Sandwich Panels In India.
- **We specialise in:**
 - Understand the need of client and hence most suitable BTS
 - Hybrid Technology solutions
 - Product line-Doors /cold storages /Prefab structures
 - One stop solution and best suited needs
 - Refrigerant Van

Our Experience in Infra Service Sector

- Our strong foundation in the this sector goes 6 years back. We have been producing high quality construction and innovative interiors products under the banner of ISBE & SK Constructions. With a cumulative effort both the company have come together for production capacity of 3 lakh panel per year , we will giving one stop solutions for schools , hospital , office s, houses , industrial house , Defense , Prefab structures and Refrigerant Vans
- We have learnt a lot about what goes into building a credible product service brand through our direct interactions with hundreds of customers on daily basis. We understand the value of quality and standardisation through our experience of owning and operating following projects:
 - Nestle
 - Maruti
 - Airports
 - Association with Retails /offices in NCR
 - Corporates data centres
 - Skill Developments and health centres- Govts
 - Hi-end Farm Houses and townships
 - Affordable Housing Projects
 - CSR activity participations with corporates
 - Camps and GBM assignments

Our Infrastructure : New Delhi & Guwahati

• Infra & Team

- Our production facility is spread in a newly built 40000sq. ft. space in Gawhati .
- We have in-house Delivery Trucks to ensure timely delivery of products
- Full Fledge assembly units and dispatch units in NCR
- Equipped team of architects and engineers for all queries and needs (30 ppl in New Delhi)
- More nos. of operational and supply team with full installation support.
- Trained staff with NSDC and Certifications and Complianced team for quality servies
- Weilding and fabrication certified
- Factory license in Delhi and Gauhati (coming soon)
- Labour License, ESI , PF , NOC
- Logistics and associates

ISBE EXIM : Our Differentiators in NE Plants

1. Hills are most difficult terrain for Goods Transport –specially FMCG & perishables
2. Fruits /Vegetables /Fish/Meat etc wastages annual volume is huge
3. Infra setup for education and healthy is too lengthy to sustain
4. New Launched schemes-Like swach Bharat , Skill development , Ayush centres – Will be only successful with Infra setups
5. Hospitals /OT/Medinices etc needs clean rooms and temp controlled
6. Logistics Booming in India-Aamzon , Flipkart , snapdeals.
7. NE state with Gawhati to be most dynamic among them
8. NEIP benefits
9. NE Going to be in direct contact with 7 countriess with international airports
